---

Enrichment activities last one hour, unless otherwise noted. To enroll your child, please complete the attached registration form and return via mail, email, or in person, along with your payment via check or Venmo. **The sign-up deadline is Tuesday, August 17, 2021;** however, clubs are filled on a first come, first served basis.

**NOTE: Proper behavior is required for students to remain in the activities.**

### K8 ENRICHMENT ACTIVITIES

#### MONDAYS – THURSDAYS

##### **Homework Hour (August 23 through December 9)**

Homework Hour is available Monday through Thursday. The time will be monitored by our instructors. Students will have the opportunity to finish homework. Although Homework Hour is not a tutoring session, it is an academic period with instructors available for assistance. Students who finish homework early will be directed to read or draw until the end of the period. (Minimum 3)

#### MONDAYS

##### **Video Game Design Club (August 30 through December 6)**

Over the semester an online instructor from *Creative Career Academy* will teach students how to design video games. Students will use their basic computer knowledge to develop their skills using code.org. As their understanding and skills grow, their projects will progress from the simple to the more complex. Depending on the growth of the class' skills, the club could possibly advance into using Unity Software before the second semester. Since the course and teacher are online, an Eaton Academy staff member will facilitate the club. (Minimum 5) (Maximum 8)

#### TUESDAYS

##### **Art Club (August 31 through December 7)**

An instructor from *Masterpiece Mixers Roswell* will introduce students to the fun and diverse uses of acrylic paint. Club members will learn various techniques to create their own paintings or crafts each week. Although *Masterpiece Mixers Roswell* provides aprons, parents may want their child to bring a large, long sleeve shirt to protect more of their clothing, since acrylic paint stains. All supplies are included in the price. (Minimum 4) (Maximum 6)

#### WEDNESDAYS

##### **Shenanigans Improv Club (September 1 through December 8)**

We're very excited to have Shenanigans Improv come to Eaton Academy. An instructor from *Autism Improvised* will lead students in fun activities using improvisation as a tool to help students learn to think more flexibly, adapt to changes, gain self-confidence, become more social, develop teamwork, and so much more! This club is appropriate for all interested Eaton Academy students. (Minimum 5) (Maximum 8)

---

**THURSDAYS**

**Bowling Club** (September 2 through December 9)

Bowling Club is our most popular club! Each week students will participate with their peers in two games of recreational bowling at *Bowlero*. Participants will be transported to the facility by Eaton staff, who will remain on-site to facilitate appropriate behavior and safety. Pick-up is at 3:20 pm at *Bowlero*. (Minimum 3)
